ONE SCHOOL - TWO METRO ATLANTA LOCATIONS
K-12th Liburn 9th-11th Johns creek (opened 2017-2018)
- Total Current Enrollment: 670
- HS Enrollment (grades 8-12): 371
- Enrollment for Class of 2019: 67
- Class of 2018 Graduates: 87

GRADING
Grading Scale: A = 90-100  B = 80-89  C = 75-79  D = 70-74  F = 0-69
High school operates on a two-semester system. Students take 7 courses per semester, and are
required to take English, Math, Science and Bible every semester in grades 8-12.
Honors courses reflect an additional 2 points and AP courses reflect an additional 7 points,
unless the additional points result in a final grade above 100, in which case the student only
receives additional points, leading to an overall grade of 100. This weighting may or may not
affect a student’s letter grade in the course, are included in the final semester averages, and
are calculated into the Core and Overall GPA reflected on the transcript.
Students may only take Honors courses with the permission of the previous subject instructor.
Qualification for the National Honor Society: 93.0 cumulative overall numeric GPA at the end of
the sophomore year. Qualification for the National Beta Club: 90.0 cumulative overall numeric
GPA at the end of the sophomore year. Both require faculty approval.
We do not provide individual class rank.

CURRICULUM
Honors Courses (2 points added – see Grading)
9th Grade Literature
American Literature (10th)
English Literature (11th)
World Literature (12th)
Algebra I (8th only)
Geometry (9th)
Algebra II (10th)
Pre-Calculus (11th)

STEM I, II, III, IV (details in STEM description)

Advanced Placement Courses (7 points added – see Grading)
Students are allowed to take one AP in 10th, typically 2 in 11th, and typically 2 but no more
than 4 in 12th. All students enrolled in an AP course are required to take the AP exam in May.
Though guidance is provided for course selection, there are no pre-requisites for taking an
AP Course, and therefore, any student may choose to take an AP course.

English Literature & Composition (12th)
Statistics (11th – 12th)
Calculus AB (12th)
Calculus BC (12th – new in 2017-18)
Biology (11th – 12th)
Chemistry (11th – 12th)

Dual Enrollment (Taught on Campus by our Math Department through Truett McConnell
University; no points added)
College Algebra (12th – SEM 1)

EXTRACURRICULAR OFFERINGS
Providence offers a wide range of athletic (15 Varsity teams), fine arts, STEM, and
other extracurricular clubs and activities. All students are required to perform
community service: 8th & 9th, 10 hours, 10th & 11th - 16 hours. Seniors not enrolled in the
STEM Capstone course are required to complete a year-long Senior Project, with a
minimum of 20 hours. All students are encouraged to start extracurricular clubs.

Fine Art Scholar Qualifications: Grade of 80+ in core courses, grade of 90+ in 8
semesters of a Fine Art, 2+ AP courses in any field of study, Capstone project, Service
Hours, Master classes, and Fine Arts Critiques.

High School STEM Program

Nationally certified by Project Lead the Way, the STEM program offers students in 9-12 the opportunity to challenge themselves through a STEM Elective Path or a STEM Scholar Path. A STEM course is the most rigorous elective a student can choose.

STEM Scholar Requirements: 4 STEM courses and ALL honors/AP Math & Science with a minimum of 2 AP Math and/or Science.

STEM Courses (2 points added – see Grading):
- STEM I: Intro to Engineering Design (IED)
- STEM II: Principles of Engineering (POE)
- STEM III-E: Construction Engineering Architecture (CEA) or III-B: Human Body Systems (HBS)
- STEM IV: STEM Senior Capstone (SSC)

Students in the Class of 2016 were the 1st to be eligible to complete the STEM Scholar Path. Of the 25 seniors enrolled in a STEM course, 8 received the STEM Scholar recognition. These students matriculated to: Auburn University, Georgia Tech (2), Harvard College, Mercer University (2), & University of GA (2). Their intended fields of study: Biology/Pre-Med, Biomedical Engineering, Business, Chemical Engineering, Finance/Real Estate, Industrial Design, Mechanical Engineering, and Nursing.

This year, there are 12 seniors enrolled in a STEM course, 5 of which are eligible for the STEM Scholar recognition.
